

**JOIN A GREAT  
TEAM  
WE'RE HIRING**

**Are you fascinated by technology trends like Autonomous Driving or Artificial Intelligence and looking for an exciting challenge in the field of business development? You found it!**

PatentSight is a leading Big Data Innovation Analytics company with offices in Bonn, Tokyo and Philadelphia. Our unique software products help clients to better understand the global innovation landscape and to early identify technology trends and disruptive innovations. The company is driven by the fundamental belief that understanding innovation potential creates business potential. Since our foundation in 2008, PatentSight has become the innovation analytics partner of choice of global technology leaders, including 12 DAX companies. Since 2018 we belong to LexisNexis IP.

We only gather the best and brightest minds across the globe. Currently, our team consists of top-notch IT engineers, highly-skilled consultants and experienced founders from more than 15 nations.

For our office in Bonn, we are currently looking for a talented companion joining us as

### **Working Student International Business Development (male/female/divers)**

#### **The role:**

As a Working Student International Business Development, you support the Director Business Development and his team managing the growth of the company. The team acts as an internal think tank inside the organization that develops new markets and accounts, establishes strategic partnerships and supports the international sales teams.

#### **What we expect:**

- Strong interest in business topics and future-oriented technologies
- Proactive self-starter and fast learner
- Team player with great interpersonal and cross-cultural skills
- Good skills in MS Excel and PowerPoint
- Fluent in German and English; additional languages are an advantage but not essential
- Currently enrolled as a student, preferably in the area of Business, Finance, Engineering or Law

#### **What we offer:**

- Working in a dynamic team and fast-moving environment
- Unique chance to develop the required skillset for a later international management career
- Modern offices with Rhine view and easy access to motorway and public transportation
- Flexible working hours and flat hierarchies
- Attractive compensation

#### **Get in touch with us!**
