Re: Assigned Healthcare Common Procedural Coding System (HCPCS) Codes

Product: Ribby Ankle Foot Orthosis

Model numbers: 650Rib/FDF/APU

Xref #: 8496279

Dear Mr. DeToro:

It is our determination that the Medicare HCPCS code to use to bill the four Durable Medical Equipment Medicare Administrative Contractors (DME MACs) for the product listed above is:

L1971 - ANKLE FOOT ORTHOSIS, PLASTIC OR OTHER MATERIAL WITH ANKLE JOINT, PREFABRICATED, INCLUDES FITTING AND ADJUSTMENT

This decision applies to the application we received on May 19, 2009. If information submitted in that application has changed or were to change, it could impact our decision. Therefore, a new application would need to be submitted for HCPCS coding verification review.

The assignment of a HCPCS code to this product is not an approval or endorsement of the product by Medicare or Noridian Administrative Services, LLC; nor does it imply or guarantee claim reimbursement or coverage. If you have questions about claim coverage or reimbursement, please contact the DME MAC for your jurisdiction.

If you disagree with this decision, you may request a reconsideration within 45 days of the date of this letter. To request a reconsideration, complete the Reconsideration Request form, which can be found on our PDAC Web site at www.dmepdac.com under the HCPCS Review tab. If your request for a reconsideration is made after the 45-day time
