

**The Top 10 Reasons to Attend the
12th Latin American and Caribbean Regulators Roundtable**

**DoubleTree by Hilton Cariari Hotel
Nov. 4 – 6, 2019 • San José, Costa Rica**

The Latin American and Caribbean gaming and lottery industries are rapidly evolving, bringing about many challenges and opportunities. Are you ready to face the future with confidence?

Here are the 10 top reasons why you should join us in beautiful San José, Costa Rica for three exciting and information-packed days of learning, networking, and thought-provoking discussions at the 12th Latin American and Caribbean Regulators Roundtable:

1. **Exclusive.** Only regulators and representatives of government entities related to the gaming and lottery industries are invited to attend.
2. **Geared to you.** Many presentations are given by fellow regulators and government lotteries; creating uniquely invaluable content that you can use today.
3. **Relevant.** Experience comprehensive discussions of crucial policy, regulation, supervision, and technology topics for gaming and lottery regulators and government lotteries with a holistic perspective.
4. **Practical.** Obtain the necessary tools to maintain a healthy industry and promote controlled growth by increasing your knowledge of government entities.
5. **Cutting-edge.** Gain new insights for advancing technology and modernization of the gaming and lottery industry by reducing risks and maintaining institutional credibility.
6. **Professional growth.** The Roundtable's academic environment contributes to the professionalization of public officials and participants.
7. **Impactful.** Demonstrate to the national government how adapting and implementing the best practices and controls of the global gaming industry will benefit Latin America and Caribbean's gaming and lottery industry by providing even more legitimacy.
8. **Complimentary**
The only event at no registration cost that allows you to learn about the challenges and technological trends that your neighboring jurisdictions face and the strategies they have used to address them.
9. **Customized.** A forum in which all the questions presented are of benefit to all participants
10. **Bilingual.** The event is broadcast in English and Spanish simultaneously to ensure that all participants understand the topics under discussion.
