

**TEAMGENIUS**  
ATHLETE EVALUATION SOFTWARE

# Player evaluations made easy

TeamGenius player evaluation software makes tryouts, coaches evaluations and camps easy - so you can save time, improve fairness and accuracy, and share more feedback with players and parents.

“ TeamGenius is a game changer! The software is really easy to use and **the ability to quickly capture scores and create your own customized ranking criteria is awesome!** ”

**Skip Newton**  
President, Eagan Wave Soccer Club
