## COACH EVALUATION

### Athleticism

Comments:

Overall great athlete. Quick on your feet and fast straight line speed. Good swivel in the hips but needs to work on flexibility this offseason.

### Leadership

0.00  5.00

Comments:

John does not take charge while on the field. Needs to work on leading the defenders while our backs are to the wall.

### Work Ethic

0.00  5.00

Comments:

I would like to see John put in more work this offseason. Weather that is playing another sport, or simply attending a camp or 2 that would be great. On the field - he needs to be more assertive.

### Game Sense

0.00  5.00

Comments:

John has a great feel for the game. Doing great bud, keep it up!

### Overall

Comments:

Just a few area to work on like I talked about above. Please reach out if you'd like help getting signed up for an offseason clinic or camp. Overall - huge help to this team throughout the entire season and I think should be considered for the A team next year. Thanks for the great year! - Coach
