

Paper
for
Life.

FUN ACTIVITY

Animal Finger Puppets

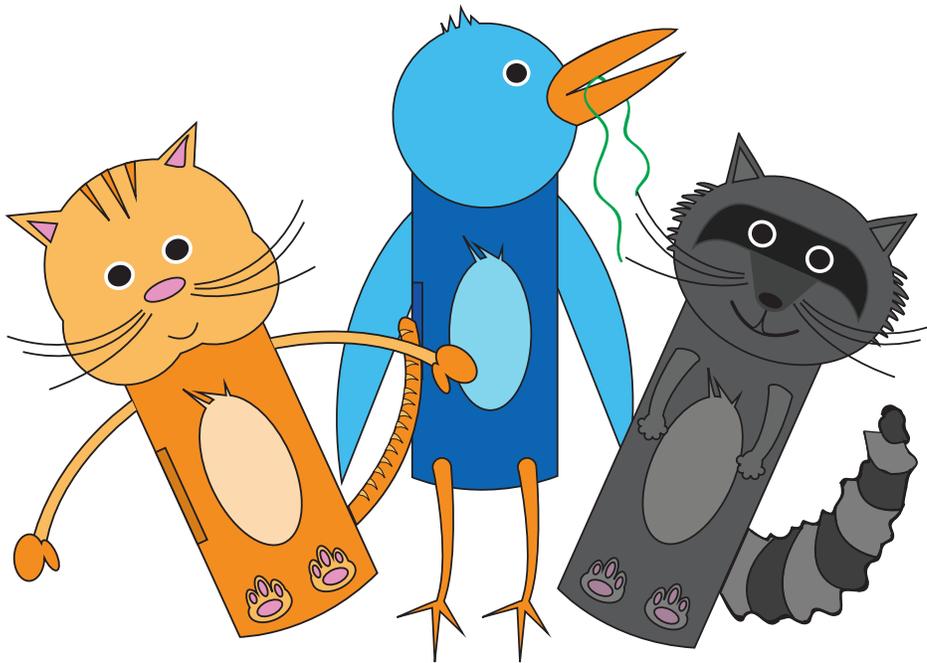

Print out our templates to make a cat, bird, raccoon or get creative. The more puppets, the bigger the show!

INTERNATIONAL  PAPER

Hammermill®

Animal Finger Puppets

Print out our finger puppet templates, color them in, cut them out, tape them together and play!

What You Will Need

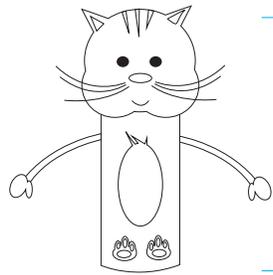

Hammermill® Colors or Premium Multi-Purpose
Scissors
Crayons or Markers
Tape and/or Glue
Optional: Googly Eyes, Glitter, etc.

Let's Get Started!

- 1 Choose your favorite animal.
- 2 Color it in. Get creative with colors and patterns. This will help to make your new friend the star of the show!
- 3 Add decorations. Glue on googly eyes for personality. Sprinkle some glitter to sparkle under the spotlight!
- 4 Use tape and watch your puppet come to life. Make sure it is taped on tight so it doesn't fly through the air.
- 5 Now it's time to play! Name your new friend and have some fun. The more puppets, the bigger the show!

Animal Finger Puppets

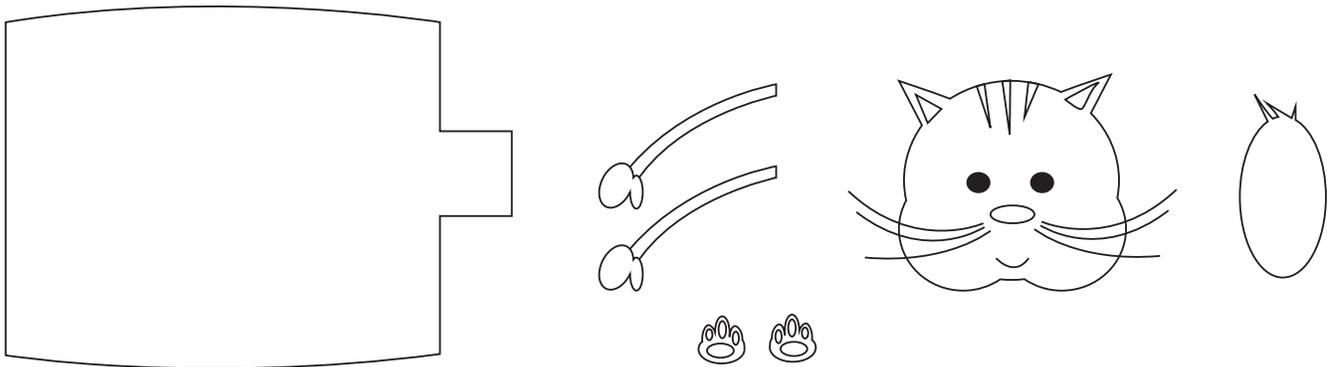

Cut along the shapes and assemble to create your finger puppet.

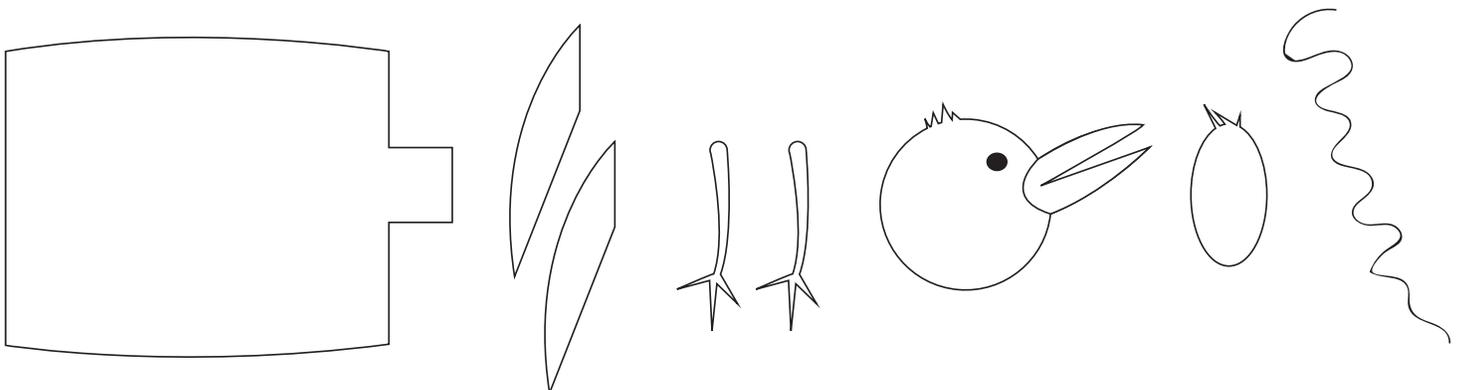

Measure your finger size first so that your character fits perfectly.
