

## Rainy Day Emergency Kit

# Paper Hats

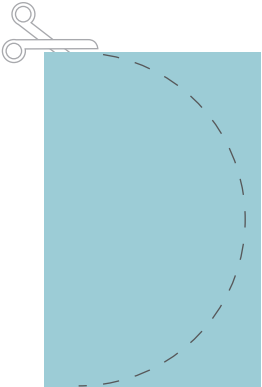

Want to be king or queen of your castle for the day? Looking to wave your wand and grant magical powers? Here are a couple of helpful guides to making the proper attire for your afternoon adventures.

## What You Will Need

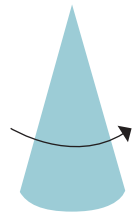

2 Sheets 11" x 17" Hammermill® Colors Blue  
1 Sheet 11" x 17" Hammermill® Colors Goldenrod  
Tape and/or Glue  
Scissors  
Round Tracing Plate  
Optional: Crayons, Markers, Star Stickers, Ribbon

## Wizard Hat

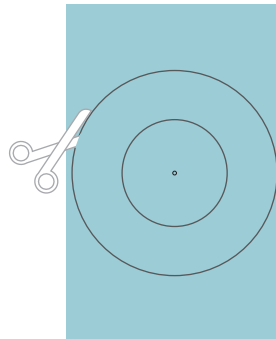

### Step 1

Cut a half circle from 11" x 17" inch paper to fit your head.

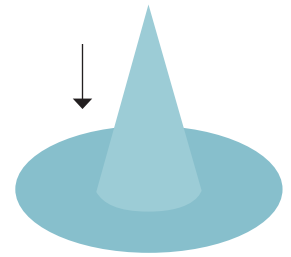

### Step 2

Roll up paper to form a cone and tape securely.

### Step 3

On second sheet, trace a circular plate. Place cone in the center of traced plate and trace around the cone.

### Step 4

Cut out brim, slip over cone, and tape.

### Step 5

Decorate! Cut out moons and stars or add your own sparkle star stickers.

## Poof!

You are now a wizard. It's time to practice and spread some magic!

## Crown

### Step 1

Take the leftover Goldenrod paper and fold it accordion-style to make a crown.

### Step 2

Cut the top at an angle.

### Step 3

Unfold accordion.

### You Rule!

Tape ends to fit your head. Decorate as you wish!
