

Who Are We?

EatStreet is a rapidly growing online food ordering and delivery platform founded and headquartered in Madison, Wisconsin. Currently partnered with over 23,000 restaurants, we operate in 250 cities across the country, and offer delivery in our core 26 delivery markets.

Why EatStreet?

Small to medium sized market focused • Grow off premise sales • Sophisticated tech and service
Local support reps in every market • Competitive rate structure • Shift scheduled W2 driver team
Access EatStreet's significant customer base • Free marketing incentives for new Rails partners

EatStreet Rails Partnership

No added fees for Rails integration • Seamlessly inject orders into store POS
OLO Webhook capable • EatStreet dedicated Rails team • Efficient onboarding process

Some of our Rails partnerships include: Noodles & Co, Famous Dave's, Papa Murphy's, Applebee's, HuHot Mongolian Grill, Pita Pit, Mooyah Burger and more.
