

BEST-IN-CLASS MIDRANGE SOLUTION by  ZEBRA

MC3300 Rugged Mobile Computers

DS3600 Ultra-Rugged Industrial Scanners

ZT400 Mid-Volume BC Printers

ZEBRA Certified Supplies

ZEBRA OneCare Service Contracts

ZEBRA DNA tools and applications

**BEST PERFORMANCE
BEST DURABILITY
BEST SECURITY**

...BEST MIDRANGE SOLUTION FOR WAREHOUSE AND MANUFACTURING

MC3300 Rugged Mobile Computers

- The perfect combination of keypad and touchscreen for data entry
- Supports Terminal Emulation apps right out of the box and has Ivanti Velocity (All-touch TE) to easily migrate your TE apps to Android
- Enterprise-ready Android™ OS with advanced tools and security
- 10-year LifeGuard™ for Android™ support
- Unparalleled processing power
- Fastest wireless connections
- Broadest scanning range with unmatched performance
- Doubles as a walkie-talkie and a PBS handset with free Workforce Connect
- Combine different form factors, keypads, scan engines, RFID antenna and tiers of functionality, to chose the combination that is just right for warehouse or manufacturing floor:
 - Form: gun, straight shooter, 45° angled scan, rotating head
 - Keypads: 29 key, 38 key, 47 key
 - Scanner: SE4850 ER, SE4750 SR, SE965 1D SR
 - UHF RFID antenna: circular or linear

DS3600 Ultra-Rugged Industrial Scanners

- The most indestructible design available today
- Out-classes its competition in scanning performance
- Capture 1D and 2D barcodes in virtually any condition
- This family of scanners offers a model to meet virtually every need in warehousing and manufacturing (corded/wireless):
 - LI3608-SR/LI3678-SR: Standard range 1D barcode capture
 - LI3608-ER/LI3678-ER: All-range 1D barcode capture
 - DS3608-SR/DS3678-SR: Standard range scanning of 1D and 2D barcodes
 - DS3608-HP/DS3678-HP: High performance scanner captures 1D/2D barcodes over longer distances, plus OCR, photos and documents
 - DS3608-HD/DS3678-HD: Captures high-density 1D/2D barcodes
 - DS3608-DP/DS3678-DP: Capture of Direct Part Marks (DPM)
 - DS3608-ER/DS3678-ER: All-range 1D/2D barcode capture

BEST WITH ZEBRA CERTIFIED SUPPLIES

Sift through thousands of available media options.	R&D experts select, convert and rigorously test all materials.	Only those offering the best printing performance are certified by Zebra.	Raw materials are never substituted so customers get consistent quality.
--	--	---	--

- ZipShip stocked supplies: use selector tool to find those you need at www.zebrazipship.com
- EasyPrice: immediate pricing on +850 plain, made to order label part numbers
- Custom made supplies: dedicated Technical Supplies team provide bespoke quotations from Zebra's range of materials, designed and tailored to meet your customer's individual requirements

Zebra OneCare™ Support Services

Keep your Zebra devices operating at peak performance with the ultimate in post-sale support

BENEFITS

- Maximize device uptime
- Unparalleled "from the manufacturer" expertise
- Outstanding value – eliminates unexpected repair costs
- Enables IT to focus on more strategic initiatives

COVERAGE FROM DAY ONE

ZEBRA DNA SOFTWARE

MOBILITY DNA

- **LifeGuard for Android:** Add years of OS security support and updates
- **Wavelink All-Touch TE:** Easily migrate TE apps to Android
- **WorkForce Connect:** Connect to data and people all on one device... voice, PTT and enterprise messaging

DATA CAPTURE DNA

- **123 Scan:** Configuration wizard that simplifies every step of deploying a scanner
- **PRZM Intelligent Imaging:** Experience faster, farther, smarter scanning
- **SCAN-TO-CONNECT:** Pair Zebra scanners to mobile devices in a single step

PRINT DNA

- **PDF Direct:** Print PDFs with scannable barcodes directly from ERP system
- **ZebraDesigner:** Easily design even the most complex barcode and RFID labels
- **PrintSecure:** Secure connections, block unwanted access and ensure data protection
