

Information Systems for Business: An Experiential Approach, Edition 3.0
France Bélanger, Craig Van Slyke, Robert E. Crossler

© Prospect Press, 2019

Detailed Contents

Preface

Section I: Introduction

1 The Value of Information

Focusing Story How Information Cost Me (a Lot of) Money

Learning Activity 1.1 The Rapid Growth of Information

Learning Activity 1.2 A Day in My Technology-Free Life

Data, Information, Knowledge, and Wisdom

Information Literacy

Learning Activity 1.3 How I Use Information

Uses of Information

Learning Activity 1.4 How Businesses Use Information

Business Example Box 1.1 Promising Information Careers

2 Introduction to Information Systems

Focusing Story Registering for Classes in 1981

Learning Activity 2.1 Identifying My Information Systems

Why All Business Professionals Need to Be Information Systems Managers

Learning Activity 2.2 Components of a System

Overview of Systems

Learning Activity 2.3 Components of a Business Information System

Foundations of Information Systems

How Information Systems Help Us Deal with Information

Stats Box 2.1 Growth of Applications in Apple's App Store

Business Example Box 2.1 How Uber Provides On-Demand Service with Information Systems

Learning Activity 2.4 Information Systems and Change

How Information Systems Facilitate Organizational Change

Business Example Box 2.2 AgTech – Making Farming More Efficient and Sustainable

Common Information Systems

3 Evaluating Information

Focusing Story Biased Information in a Trusted Outlet

Learning Activity 3.1 How Good Is This Information?

Being a Smart Information Consumer

Stats Box 3.1

Business Example Box 3.1 Resume Fraud

Learning Activity 3.2 My Online Life and Information Overload

Information Overload and the Need to Evaluate Information

Dealing with Information Overload

Learning Activity 3.3 Dimensions of Information Quality

Information Quality

Business Example Box 3.2 Information Quality as an Ethical Issue

Learning Activity 3.4 Evaluating Information Sources

Evaluating Information

4 Gaining Strategic Value from Information

Focusing Story Health Care on My Cell Phone

Strategic Information Systems

Strategic Planning Process

Learning Activity 4.1 Trends in Top Management Concerns

Frameworks for Strategic Information Systems

SWOT Analysis of a Person?

Evaluating Strategic Initiatives

Stats Box 4.1 CSFs for Implementing Web Portals in Saudi Arabia

Learning Activity 4.2 What Does This Company Need for Success?

Learning Activity 4.3 Competitive Advantage at TRIPBAM

Hypercompetition: Sustainability of Competitive Advantage

Learning Activity 4.4 Google versus Yahoo!

Section II: Managing Information

5 Storing and Organizing Information

Focusing Story The Database behind Facebook

Learning Activity 5.1 Data for an Amazon Order

Stats Box 5.1

Overview of Relational Databases

Learning Activity 5.2 Connecting Data Elements

Databases versus Spreadsheets: When to Use a DBMS

Database Diagrams

Learning Activity 5.3 Finding Business Databases Online

iTunes Match

Online Databases

Big Data

Big Data at Facebook

6 Analyzing Information for Business Decision Making

Focusing Story How a Spreadsheet Saved Me (a Lot of) Money

Learning Activity 6.1 Information and Decision Making

The Importance of Good Decision-Making Skills

Learning Activity 6.2 What Kind of Information Do I Need?

Using Information for Decision Making

Business Example Box 6.1 Why Do Managers Make Bad Decisions?

Types of Decisions

A Decision-Making Process

Learning Activity 6.3 What Kind of Information Do I Need?

Information Retrieval and Analysis Tools

Learning Activity 6.4 “What If” I Get a 75% on the Final?

Stats Box 6.1 The Cost of Spreadsheet Errors

7 Transmitting Information

Focusing Story I Want My Own Wi-Fi!: The Emergence of Mi-Fi

Learning Activity 7.1 How Does That Car Drive Itself?

Introduction and Definitions

Types of Networks

Learning Activity 7.2 Broadband in Developed Countries

The Internet

Learning Activity 7.3: Who is Using the Internet?

Business Example Box 7.1 Internet Application of the Day: Get a Degree Online!

Learning Activity 7.4 A Future Internet? Internet2 and Business

Networking Architectures

Learning Activity 7.5 Architecture and Principles

Communicating Information in Modern Organizations

The Power of Wikinomics (Crowdsourcing)

Stats Box 7.2 Diffusion of Innovations Timeline

Learning Activity 7.6 Web 3.0 versus the Internet of Things

8 Securing Information

Focusing Story My Mac Is More Secured than Your Windows-Based PC!

Introduction and Definitions

Learning Activity 8.1 How Protected Is Your Computer?

Information Security Threats

Learning Activity 8.2 What Do Hackers Break into the Most?

Business Example Box 8.1 Even Big Technology Companies Can Be Hacked

Learning Activity 8.3 Detecting Phishing

Security Technologies and Solutions

Learning Activity 8.4 How Strong Is Your Password?

Learning Activity 8.5 Biometrics on the PC

Stats Box 8.1 Security Policy Violations

Learning Activity 8.6 Breaking the Encryption

Business Example Box 8.2 How to Respond to a Security Crisis

Learning Activity 8.7 Where's the Security?

9 Protecting the Confidentiality and Privacy of Information

Focusing Story Perceptions of Anonymity

Information Privacy Threats

Learning Activity 9.1 Privacy and Smartphones

Data Collection

Learning Activity 9.2 Concern for Information Privacy

Learning Activity 9.3 Privacy Pizza

Stats Box 9.1 Perceptions of Monitoring

Consequences of Privacy Violations

Stats Box 9.2 Fraud Type from Identity Theft

Stats Box 9.3 The Black Market for Stolen Identities

Technologies and Solutions for Information Privacy

Learning Activity 9.4 Surveillance Societies around the World

Learning Activity 9.5 Privacy Policy Creation

Business Example Box 9.1 Privacy and Facebook

Learning Activity 9.6 Why Your Advisor Can't Talk to Your Parents

Government Information Privacy Regulations

Business Example Box 9.2 COPPA in Practice

Mobile Information Privacy

Privacy and Ethics

Learning Activity 9.7 PAPA, Privacy Policies, and FERPA

Ethical Decisions

Learning Activity 9.8 Making Ethical Decisions

Relationship between Security and Privacy

Section III: Using Information

10 Developing Information Systems

Focusing Story The \$6 Billion Software Bug

Time, Cost, and Quality

Learning Activity 10.1 Determining Requirements

Software Development Methodologies
Traditional Systems Development Life Cycle

Learning Activity 10.2 Advantages and Disadvantages of the SDLC

Stats Box 10.1 Standish CHAOS Report
Alternative Methodologies

Learning Activity 10.3 Comparing the Methods

Business Example Box 10.1 App Developers Needed!
Build or Buy Decision

Learning Activity 10.4 How Open Source Software Impacts Build versus Buy
Using Open Source in Business

Learning Activity 10.5 What to Outsource
Outsourcing Information Systems

Business Example Box 10.2 Reversing the Outsourcing Decision

11 Information-Based Business Processes

Focusing Story Improving Processes Is for Everyone!

Learning Activity 11.1 How Many Steps in This Process?
What Is a Process?
Process Modeling

Learning Activity 11.2 Model This!
Technology and Processes
Process Improvement

Learning Activity 11.3 Informal Business Processes

Learning Activity 11.4 Redesign This!

Business Example Box 11.1 Quicken Loans Rocket Mortgage: Moving the Mortgage
Process Online

12 Enterprise Information Systems

Focusing Story Supply Chain Innovations at Wal-Mart

Learning Activity 12.1 Finding the Components of an Enterprise System
Enterprise Systems
Enterprise Resource Planning (ERP)

Stats Box 12.1 Top Four Selected ERP Vendors

Learning Activity 12.2 The Online Beer Game

Business Example Box 12.1 ERP Is Not Always a Horror Story: Cisco Implementation
on Time and Budget

Supply Chain Management Systems

Stats Box 12.2 Supply Chain's Impact on Company Performance

Learning Activity 12.3 Blockchain and Supply Chain Management

Learning Activity 12.4 Customer Relationship Management

Customer Relationship Management Systems

Learning Activity 12.5 Self-Servicing

Stats Box 12.3 CRM Vendors

Business Example Box 12.2 DUFL Gains Competitive Advantage through Customer
Service

Customer-Managed Interactions (CMI)

Warehouse Automation and Robotics

13 Information for Electronic Business

Focusing Story The iPod and the Music Industry

Learning Activity 13.1 Why Is E-Business Important?

Introduction to E-Business

Stats Box 13.1 Retail E-Commerce in the United States

E-Business Models

Business Example Box 13.1 Adapting Its Business Model: Amazon.com

B2C E-Business Enablers

B2C E-Business Impacts

Learning Activity 13.2 Why Would I Trust Them or Buy from Them?

Design for B2C E-Business

Business-to-Business (B2B)

Learning Activity 13.3 B2C versus B2B

Learning Activity 13.4 Where Is My Web Page?

Search Engine Optimization

Trends in E-Business

Stats Box 13.2 Mobile Phone Statistics

Stats Box 13.3 Global E-Business

Learning Activity 13.5 Usa.gov

14 Information and Knowledge for Business Decision Making

Focusing Story Managing Knowledge by Texting

Learning Activity 14.1 How You Manage Knowledge

Knowledge Management

Why Managing Knowledge Is Important

Main Processes for Knowledge Management

Business Example Box 14.1 The Issue of Trust in Knowledge Management

Learning Activity 14.2 Wikis for Managing Knowledge

Knowledge Management Technologies

Learning Activity 14.3 Using a Decision Support System

Decision Support Systems and Group Decision Support Systems

Business Intelligence

Index

Appendices

Note that the following appendices will be included in the eTextbook only. The appendices will also be posted at the title's website at <http://www.prospectpressvt.com/titles/belanger-information-systems-for-business/student-resources>. Users of the printed textbook can freely access the appendices at the website.

Appendix A: Computer Hardware

Appendix B: Computer Software

Appendix C: Access Fundamentals

Appendix D: Advanced Access

Appendix E: Advanced Database Concepts

Appendix F: Excel Fundamentals

Appendix G: Advanced Excel

Appendix H: Networking Basics

Appendix I: Security and Privacy

Appendix J: Funding Information Technology

Appendix K: Managing IS Projects
