

# TEAM EJP KNOW H<sub>2</sub>O<sup>W</sup><sup>®</sup> WEBINAR SERIES

## FRIDAYS JUST GOT MORE PRODUCTIVE!

Team EJP's Exploration into  
the Future of Water

**FRIDAYS: 12:00 NOON TO 1 PM**

Each Friday, at 12:00 Noon Eastern Time, Everett J. Prescott Inc. will offer free highly informative webinars focusing on innovation in the water industry. Important topics relative to the worlds of drinking water, wastewater and stormwater will be offered. All participants will receive certificates for one Professional Development Hour (PDH) and all are welcome to join us to gain the "know how" it will take to build a sustainable future.

"Education has always been important in our industry, but with the pressures of population growth and increasing demands for water, information sharing has never been more important. At Team EJP, our commitment to training has never been stronger."

**Peter E. Prescott, Chief Executive Officer**  
**Everett J. Prescott, Inc.**

While our webinars are free of charge, pre-registration is required. Check out our website at [www.ejprescott.com](http://www.ejprescott.com) or ask your Team EJP Sales Representative for more details.
