We are continuing to monitor the new developments with COVID-19. We know that this is creating disruptions in our businesses, communities, the country and around the world. We understand the challenges this has created for many business owners and their employees. We continue to be open for business at all locations. With our dedicated group of employees, we have not experienced any disruption to our business or our ability to service our customers.

We do recognize that many of our customers are operating with office staff that may be working remotely. With this in mind we want to let our customers know that we can accept electronic payments via ACH or Wire Transfer.
