

**COL Tom Clancy****Identity and Access Management (IdAM) and Public Key Infrastructure (PKI) Lead in the Office of the Secretary of Defense's Deputy CIO for Cybersecurity staff**

COL Tom Clancy serves as Identity and Access Management (IdAM) and Public Key Infrastructure (PKI) lead in the Office of the Secretary of Defense's Deputy CIO for Cybersecurity's staff.

Originally commissioned as an Armor Officer from the United States Military Academy, Clancy was assessed into Functional Area 53 (Information Systems Management) in 1998. He has served in automation services and cyber security positions at forward-deployed Brigade, Division, Corps, and Joint Task Force levels. He most recently served as Chief of USTRANSCOM's Joint Cyber Center.

He holds a BS in Systems Engineering from the United States Military Academy, an MS in Computer Science from SUNY Stony Brook, and an MS in National Resource Strategy from the Industrial College of the Armed Forces.
