

**JODI D. MORTON
VICE PRESIDENT, DATA GOVERNANCE AND MANAGEMENT
SINGLE-FAMILY DIVISION**

Jodi Morton is vice president of data governance and management for Freddie Mac's Single-Family Business. She is responsible for the development and implementation of the Single-Family data strategy, which includes:

- Data governance, policies, standards and practices,
- Data quality transparency and reporting, and
- Advancement of data acquisition strategies and analytic capabilities.

Morton began her Freddie Mac career in 2004. Since then, she has served in a variety of roles within the finance division, most recently as chief financial officer of the Single-Family Business.

Morton earned a Master's degree in finance from American University, a B.S. in accounting and a B.S. in business administration from the College of Charleston in Charleston, S.C.

Freddie Mac makes home possible for millions of families and individuals by providing mortgage capital to lenders. Since our creation by Congress in 1970, we've made housing more accessible and affordable for homebuyers and renters in communities nationwide. We are building a better housing finance system for homebuyers, renters, lenders and taxpayers.
