COLONEL TOM CLANCY

Office of the CIO Identity Management Programs, U.S. Department of Defense

COL Tom Clancy serves as IdAM and PKI Lead in the Office of the Secretary of Defense's Deputy CIO for Cybersecurity staff. Originally commissioned as an Armor Officer from the United States Military Academy, Clancy was assessed into Functional Area 53 (Information Systems Management) in 1998. He has deployed in automation services and cyber security roles at the Brigade, Division, Corps, and Joint Task Force echelons. He most recently served as Chief of USTRANSCOM's Joint Cyber Center. He holds a BS in Systems Engineering from the United States Military Academy, an MS in Computer Science from SUNY Stony Brook, and an MS in National Resource Strategy from the Industrial College of the Armed Forces.
