The evolving economy is changing the way we work, creating exciting, new opportunities and challenges to which today's workforce is quickly learning to adapt. Small businesses, freelancers, and remote workers must balance professional, personal, and family life in a whole new way in order to thrive. Coworking is a rapidly growing solution to this challenge – providing professional communities of peers that enrich your business network and access to amenities and environments that inspire your work and make your day easier.

Welcome to Lodgic Workplace. Meeting the real-life needs of today's real workers.

A HOME FOR PROFESSIONAL YOU.

What does your workplace say about you? Is it welcoming? Vibrant? Productive? Profitable? As every day brings new challenges and opportunities, Lodgic Workplace can flex to accommodate for what you and your business need to grow, even if that's different every day.

THRIVING PERSONALLY AND PROFESSIONALLY.

64%

OPTIMIZE AND GROW

Coworking provides opportunities and benefits beyond the obvious:

- › Strengthen your professional identity.
- › Share your expertise – and benefit from those around you.
- › Build a community that will enrich your personal and professional life.
- › Enjoy the best of both worlds: business autonomy and support.
- › Experience the value of interaction with your peers when you want it – and focus-enhancing quiet when you don't.
