2) Flextime

- These monthly memberships are ideal for members who know they’ll be popping in and out of Lodgic regularly, but don’t always know when. Members may access Workplace any seven days a month for \$120, or ten days for \$150/month.

About Moose International

Lodgic is an ambitious new concept to do more of what Moose International has been doing since 1888. The Moose has reimagined the timelessly good things the fraternal order has always stood for — working hard, taking care of each other, and having fun. In 2018, Champaign-Urbana will welcome the nation’s first Lodgic Everyday Community.

The Loyal Order of Moose is one of the world’s oldest and largest fraternal order and community service organizations. With one million members and over 1,500 Moose Centers and Lodges across the U.S., Canada, Great Britain, and Bermuda, it provides members with family-oriented social, dining, and sports activities. In local communities, members are known for volunteerism and community service. Nationally, the organization’s main endeavors include Mooseheart Child City and School, a residential community and school for children whose families are unable to care for them; Moosehaven, a Florida retirement community for senior members; and Tommy Moose, a national first-responder program for police and rescue to help children in acute crisis situations. Mooseheart Child City and School is one of the longest-operating children’s residential care facilities in America. Its beautiful rural campus spans 1,000 acres and has its own ZIP code. Children receive the nurturing home, emotional development, and solid education they need to reach their full potential through the pioneering Mooseheart method of innovative and nationally recognized educational and family-living programs.
