International students on a student visa should be aware that receiving a tuition fee refund for any unit of study may affect the duration of their course of study and therefore the length of their student visa. Any changes to the duration of the course of study as a result of course credit will be reported to the Department of Home Affairs (DHA) via PRISMS in accordance section 19 of the ESOS Act. To check the conditions of a student visa please visit the DHA website at: <https://www.homeaffairs.gov.au> or call 131 881.

### Grounds for Approval of Application Request

The Tuition Fee Refund Policy for Domestic Students outlines the grounds for a refund of domestic tuition fees. Collarts may, in its absolute discretion, grant a partial or full refund where they determine there are special circumstances which make it impracticable for the student to complete the requirements of the unit/s of study such as:

- Medical circumstances
- Family circumstances
- Personal circumstances
- Employment related circumstances
- Course-related circumstances

Students wishing to make application for a fee refund should refer to the Tuition Fee Refund Policy which can be found in the Collarts Student Handbook and via the MyCollarts Student Portal.

### The Application Process

To be eligible for a tuition fee refund, a student must withdraw (cancel their enrolment) in a course of study or unit of study, or suspend their enrolment to take a leave of absence, on or before the relevant Census Date by lodging the appropriate form with Student Services in accordance with the Deferral, Suspension & Cancellation of Enrolment Policy available for download via the MyCollarts Student Portal at <http://mycollarts.edu.au/login/index.php>.

Having lodged the appropriate form to withdraw or suspend enrolment to take a leave of absence, domestic students seeking a refund of tuition fees must lodge this Application for Fee Refund form with Student Services. A fee refund is not an automatic result of withdrawing or cancelling enrolment.

All supporting documentation should be attached to the completed form as either copies certified by a Justice of the Peace or presented as originals to Student Services who will copy and witness the documents as true copies, returning the originals to the student. Collarts will only consider an application complete and eligible for assessment if all sections have been completed, the form signed and the above documentation attached.

Collarts will assess and respond to all completed applications within fifteen working days. The applicant will be advised of the decision in writing and the application and decision thereof will be kept on the student file.

### Assessment & Notification of Outcome

On receipt of your completed application, Collarts will assess the request in accordance with the college Tuition Fee Refund Policy and advise you of the outcome in writing within fifteen working days.

If the application is approved, the student will receive an Approval of Fee Refund Letter via email advising the decision in writing and confirming how the refund will be paid.

If the application is denied, the student will be issued a Refusal of Fee Refund Letter via email advising the reasons for refusal and their right to appeal the decision. Students wishing to make an appeal should refer to the college Grievance & Appeals Policy which can be found on the website or downloaded via Student Resources section of the MyCollarts student portal at <http://mycollarts.edu.au/login/index.php>
