Spare Parts Catalogue - Sensor Systems

Thank you for choosing AKVA group as your supplier of aquaculture technology. AKVA group is a technology partner and supplier of advanced equipment and services to the aquaculture industry worldwide. We are a public company operating in one of the world's fastest growing industries and supply everything from single components to complete installations. AKVA group is recognized as a pioneer and technology leader through more than 30 years. Corporate Headquarters are in Norway.

This catalogue includes all spare parts used in sensor systems for both cage and land based aquaculture. It contains a complete overview with illustrations showing in detail each part used and where it is mounted.

For more information please visit our website

www.akvagroup.com

The spare part illustrations have position numbers showing where each part is mounted in each unit. This will help you to locate the correct parts for your equipment.
