

Risk Control Services

Unique skills. Dedicated resources. Expert services.

An important part of staying in touch with our aviation clients' needs is finding new ways to reduce risk and prevent loss that may not previously have been considered. The Old Republic Aerospace, Inc. (ORAE) Risk Control Program is a value-added service that we provide to our insureds at no additional cost, to assist in mitigating the frequency and severity of losses. Through our consultative services, we provide recommendations for process improvement to reduce risk to equipment, property and personnel.

We also offer personalized risk management programs to assist in mitigating loss exposures, controlling costs and improving processes in conjunction with our claims services.

Customized services to meet your risk control needs.

- On-site safety and risk management surveys
- Assessment of ramp, maintenance and flight activities
- Review and assist in emergency response plan development
- Assessment of training programs and procedures
- Provide safety training related to workers' compensation, property and liability exposures
- Evaluation of accident investigation and "near miss" programs
- Provide hazard analysis training and risk mitigation training
- Provide safety data analysis and performance metrics of workers' compensation losses

Our dedicated, in-house, highly experienced, risk control professionals have extensive backgrounds in airport safety, flight operations, emergency response planning and aircraft maintenance.

Old Republic Aerospace - Premier Product Offerings

Business Aircraft / Corporate Aviation

Old Republic Aerospace can provide an extensive set of aircraft liability and physical damage coverages for today's general aviation aircraft. Aircraft physical damage limits up to \$35 million and liability limits of up to \$300 million are available for qualified accounts. Coverages can be combined to match an insured's unique set of risks.

Commercial Aviation

We offer insurance plans for a wide range of commercial aviation businesses including UAS operations, privately owned airports, MROs, FBOs, charter operators, university flight programs aerial photography, sight-seeing, aircraft repair and service and fueling operations just to name a few.

Workers' Compensation

Our highly skilled, in-house workers' compensation team provides comprehensive workers' compensation coverage and claims service to a wide variety of aviation-related operations. Program offerings include guaranteed cost and loss sensitive programs, repatriation expense for foreign travel, sliding scale dividend programs and the NBAA Workers' Compensation Insurance Program - exclusively for NBAA members.

Manufactured Products

We can offer an aviation manufactured products liability policy protecting a manufacturer against third party legal liability arising from physical damage or bodily injury as a result of an alleged aviation product failure or defect. Liability limits are available up to \$100 million CSL including property damage, bodily injury and grounding liability.

Airlines

The Old Republic Aerospace in-house underwriting and claim experts are highly trained, experienced and well positioned to serve the airline industry. We offer a comprehensive range of products and services for all airline operations.

Airports and Government Entities

Our airport and government entity team has the expertise to underwrite comprehensive and competitively priced products. We provide specialized industry-specific products and services for commercial and general aviation airport operators and government/ municipal aircraft (fixed-wing and rotor-wing).

Agricultural Aviation

We can provide a full array of aircraft physical damage and liability coverages designed for aerial applicators operating piston or turbine powered aircraft, fixed-wing or rotor-wing. In addition, we offer an agricultural aviation policy form - a broad, updated policy form for aerial applicator coverage.

Light Aircraft / Pleasure & Business

In addition to Hull, Liability and Medical Expense coverages, we offer a broad array of contingent coverages for light aircraft including use of non-owned aircraft, hurricane relocation expense reimbursement, search and rescue, runway foaming, extra expense for renting a replacement aircraft and much more.

Specialized Claims Services

Our dedicated, in-house claims specialists have extensive experience in managing all facets and types of aviation claims. It is our mission to act with the utmost professionalism while serving to protect the interests and integrity of our clients by promptly and fairly resolving claims. We strive to maintain and enhance the public's impression of our policyholders, permitting our clients to return to their normal operations as rapidly and seamlessly as possible.

Risk Control Services

We assist our clients in mitigating the frequency and severity of losses through risk control, a comprehensive service provided by Old Republic Aerospace. Our in-house risk control professionals help our clients improve safety, reduce risk exposures, control loss costs and facilitate programs to enhance operational performance.
