

Airports and Government Entities

Building strong foundations with municipalities across the country.

Old Republic Aerospace, Inc. (ORAE) is one of the premier carriers for airport and governmental / municipal aircraft insurance. Our airport and government entity team is dedicated to exclusively addressing the needs of commercial and general aviation airport operators. ORAE has a demonstrated track record of providing superior policy service, claim management, risk control consulting and customer satisfaction. This has afforded us a reputation as the business partner of choice for municipal airport and government entity clients.

Our airport and government entity team has the expertise to underwrite comprehensive and competitively priced products. We provide specialized industry-specific coverages and services for:

- Commercial airport owners and operators
- General aviation airport owners and operators
- Government / municipal aircraft (fixed-wing and rotor-wing)

Our specialized airport and government entity team provides highly skilled underwriting, customized products and tailored programs and services, each of which helps reduce airport operators' risk and expenses.

Our people make the difference.

Providing the right insurance protection starts with an in-depth understanding of our customer's operation. We provide coverages and limits including:

- Airport liability: primary limits up to \$300 million, including War and TRIA
- Excess liability limits (above \$300 million) for unique risks
- Aircraft physical damage limits up to \$15 million
- Aircraft liability limits up to \$300 million

In addition, ORAE provides a complimentary, comprehensive airport review program to our clients. This service is a broad analysis beyond the physical aspects of the airport area to include an evaluation of airport contracts and the manner in which they can protect an airport from risk.
