

Risk Control - Airport Services

A value-added service provided at no cost.

Every airport service business seeks to maximize efficiencies while sustaining a safe working environment for their employees. Our team of risk control specialists stand ready to help with advice, training, audits, mentorship, SMS implementation and more.

The Old Republic Aerospace, Inc. (ORAE) Risk Control Service Program offers personalized risk management programs to mitigate loss exposures, control costs and improve processes in conjunction with claim services.

This complimentary service is just another reason to choose ORAE for all your aviation needs.

Our primary goal is to make airport service operations safer with guidance in methods and practices proven to control the risks associated with all airport service processes.

Customized services:

- On-site safety and risk management surveys and assessments
- Assessment of ramp, maintenance practices and flight activities
- Review and assist in emergency response plan development
- Assessment of training programs and procedures
- Safety review of ground-based operational and workers' compensation programs and policies
- Provide safety training related to workers' compensation, property and liability exposures
- Provide hazard analysis training and risk mitigation training
- Provide safety data analysis and performance metrics of workers' compensation losses

Old Republic Aerospace - Premier Product Offerings

Business Aircraft / Corporate Aviation

Old Republic Aerospace can provide an extensive set of aircraft liability and physical damage coverages for today's general aviation aircraft. Aircraft physical damage limits up to \$35 million and liability limits of up to \$300 million are available for qualified accounts. Coverages can be combined to match an insured's unique set of risks.

Commercial Aviation

We offer insurance plans for a wide range of commercial aviation businesses including UAS operations, privately owned airports, MROs, FBOs, charter operators, university flight programs aerial photography, sight-seeing, aircraft repair and service and fueling operations just to name a few.

Workers' Compensation

Our highly skilled, in-house workers' compensation team provides comprehensive workers' compensation coverage and claims service to a wide variety of aviation-related operations. Program offerings include guaranteed cost and loss sensitive programs, repatriation expense for foreign travel, sliding scale dividend programs and the NBAA Workers' Compensation Insurance Program - exclusively for NBAA members.

Manufactured Products

We can offer an aviation manufactured products liability policy protecting a manufacturer against third party legal liability arising from physical damage or bodily injury as a result of an alleged aviation product failure or defect. Liability limits are available up to \$100 million CSL including property damage, bodily injury and grounding liability.

Airlines

The Old Republic Aerospace in-house underwriting and claim experts are highly trained, experienced and well positioned to serve the airline industry. We offer a comprehensive range of products and services for all airline operations.

Airports and Government Entities

Our airport and government entity team has the expertise to underwrite comprehensive and competitively priced products. We provide specialized industry-specific products and services for commercial and general aviation airport operators and government/ municipal aircraft (fixed-wing and rotor-wing).

Agricultural Aviation

We can provide a full array of aircraft physical damage and liability coverages designed for aerial applicators operating piston or turbine powered aircraft, fixed-wing or rotor-wing. In addition, we offer an agricultural aviation policy form - a broad, updated policy form for aerial applicator coverage.

Light Aircraft / Pleasure & Business

In addition to Hull, Liability and Medical Expense coverages, we offer a broad array of contingent coverages for light aircraft including use of non-owned aircraft, hurricane relocation expense reimbursement, search and rescue, runway foaming, extra expense for renting a replacement aircraft and much more.

Specialized Claim Services

Our dedicated, in-house claim specialists have extensive experience in managing all facets and types of aviation claims. It is our mission to act with the utmost professionalism while serving to protect the interests and integrity of our clients by promptly and fairly resolving claims. We strive to maintain and enhance the public's impression of our policyholders, permitting our clients to return to their normal operations as rapidly and seamlessly as possible.

Risk Control Services

We assist our clients in mitigating the frequency and severity of losses through risk control, a comprehensive service provided by Old Republic Aerospace. Our in-house risk control professionals help our clients improve safety, reduce risk exposures, control loss costs and facilitate programs to enhance operational performance.
