

## Aviation Workers' Compensation

**We have a mission: to serve our clients best.**

**Solutions suited to our clients' individual needs.**

As a long-term, leading provider of aviation workers' compensation coverage, Old Republic Aerospace, Inc. (ORAE) has the expertise to address the unique needs of aviation businesses and flight operations. Our dedicated in-house team of experienced workers' compensation underwriters enables us to service a wide range of aviation accounts on either a mono-line or supported basis.

ORAE's workers' compensation coverages reflect State Law requirements, including medical costs resulting from a covered injury, compensation for lost wages, medical and / or vocational rehabilitation and death benefits. Our Employers' Liability coverage protects insureds against claims made by employees in situations that fall outside the workers' compensation laws. In addition, we offer Foreign Voluntary Compensation coverage which provides coverage to employees for work related injuries in territories outside of the United States. Program offerings include:

- Guaranteed cost and loss sensitive plans
- Repatriation expense for foreign travel
- Sliding scale dividend program
- NBAA Workers' Compensation Insurance Program – for NBAA members

**First-rate claims service for aviation businesses.**

Our in-house, highly experienced, workers' compensation claims professionals will oversee the day to day management of your claims. We will work with our insureds, the injured workers and the appropriate medical providers to ensure that employees return to work safely and timely. Our claims professionals can be counted on to thoroughly investigate, promptly evaluate and fairly resolve a company's workers' compensation claims.

**Insureds' point of contact.**

Insureds are kept closely apprised of the status of open claims. Our assigned workers' compensation managers will also maintain frequent communication with the injured employee and the medical providers.

**Broad networks of medical providers.**

Injured employees have access to a nationwide network of physicians and hospitals which provide quality care at competitive prices. ORAE's unique strategy is designed to achieve optimum return-to-work results for injured employees.

**24-Hour claim reporting.**

Early claim reporting and assignment can help lead to better outcomes. We offer several claims reporting options available 24 / 7 / 365.

**Risk Control:**

Our in-house risk control team provide complimentary, comprehensive, personalized risk management services to assist clients in mitigating loss exposures, control costs and improve processes in conjunction with our claims services.

*In today's changing workers' compensation climate, it's critical to have an exceptional insurance provider partnering with insureds to combat rising loss costs trends.*

# Old Republic Aerospace - Premier Product Offerings

## Business Aircraft / Corporate Aviation

Old Republic Aerospace can provide an extensive set of aircraft liability and physical damage coverages for today's general aviation aircraft.
