

New Discount Announcement for POPA / Pilatus Pilot Proficiency Program

Phoenix Aviation Managers, Inc. delivers a discount for the Pilatus Owners and Pilots Association (POPA) and pilots that complete the Pilatus Pilot Proficiency Program “PPPP”.

The Membership in the organization and the training required to complete the PPPP provides pilots and aircraft operators a way to distinguish themselves from others and demonstrate a commitment to safety.

- Save up to 10% on your aircraft Physical Damage Coverage Premium by completing the Pilatus Pilot Proficiency Program in addition to completing a Phoenix Aviation Managers, Inc.’s approved ground and flight school program for the Pilatus aircraft within the last twelve (12) months.
- Discount is paid based on Ten Percent (10%) of the earned Physical Damage Coverage Premium for the policy period for all Pilatus aircraft as listed on the policy, minus all Physical Damage claims (including both losses paid and expenses incurred) during the policy period.
