THE "SEVENTWELVE" INITIATIVE

At Virginia Academy, we desire that our students have a confidence in God, which impacts their daily lives & how they relate with others. Our 'seventwelve' initiative dervies from the Bible verse Matthew 7:12, "So in everything, do to others what you would have them do to you, for this sums up the law of the prophets." Our hope is to create a positive culture school-wide by focusing on positive behavior expectations: be kind, be safe, and be responsible. We encourage our students to embody this verse by rewarding students for showing love and respect to their teachers and peers. We like to say, "We are seventwelve!"
