Why Old Republic?

Competitive Advantage

Specialization is our competitive advantage. While collectively we offer a full suite of risk management and insurance solutions, our expertise in insurance coverages or unique industry segments is unsurpassed. Our decentralized business model puts specialists directly on the front line, so you get a level of service and expertise not commonly found in the industry. Each of our companies has full accountability for the market segments they serve, and we can respond quickly and effectively to your needs.

Specialization and Expertise

We have spent the better part of the last century developing specialized expertise in our insurance coverage offerings and our clients' industry segments. While each Old Republic General Insurance Group company is a specialist, collectively our expertise is broad and encompassing across the property & casualty marketplace. Our philosophy is simple—understand each client's unique challenges and develop the right solution for their risk.

Financial Strength and Stability

Old Republic International Corporation is one of the nation's 50 largest publicly held insurance organizations. It has consolidated assets of approximately \$21.07 billion (as of December 31, 2019). Our oldest insurance subsidiary had its origin in 1887. Since 1923, Old Republic has grown as a specialty insurance business. This has given us one of the industry's best records as a long-term growth company.

Partnership and Service

We take a distinctive, collaborative approach and believe in building relationships the "old fashioned way." You benefit from our local presence, people with extensive knowledge of the coverage you need or industry you're in, as well as any related regulatory, managed care, and claims environments. This high-touch approach differentiates us, fostering trust and ties between our people and the clients we serve. Our underwriting, Third-party Administrator (TPA) services, risk control, and claims management create a comprehensive approach that provides you with the right solutions.
