/ABOUT GATE GROUP

Gate Group is the global leader in airline catering, retail-on-board and hospitality products and services. They provide passengers with superior culinary and retail experiences, leveraging innovation and advanced technology solutions.

/THE CHALLENGE

To have access to commodity pricing data in order negotiate more effectively with suppliers, understand market conditions and operate more efficiently.

/MINTEC'S SOLUTION

Mintec has implemented their raw materials and commodity price tracking services through Mintec Analytics, its proprietary commodity price dashboard and analytics platform.

This has delivered a combination of data, market insight and analytical tools to companies like Gate Group. Enabled them to access any of the +14,000 commodity prices, to accurately manage and respond to current price challenges.

/THE BENEFITS

- Integrated raw material and commodity analysis
- Personalised price dashboards for supplier contract management
- Market insight and extensive price data
- Benchmarking supplier pricing across a range of commodities

“ Having fast access to data & price movements, centralized & contextual info against commodity indexes, cost modelling tools and access to supplier-agnostic pricing data for more transparent conversations and cost-effective negotiations make Mintec an important tool.

gategroup

- 1 Because the food products you buy come from different sources & suppliers. **They're exposed to different market conditions.**
- 2 A lack of transparency makes it hard to identify their real cost. **So understanding the real price of raw materials is difficult.**
- 3 But time is limited to prepare analyse for complex negotiations. **Meaning suppliers & customers can't always agree on price.**
- 4 Making informed decisions on price means being mindful of market conditions. **To negotiate successfully, you need to have all the relevant information.**

Mintec Analytics provides retailers & manufacturers with **+14,000 independent global prices** & intelligence tools for food ingredients & soft commodity markets.
