## AIRPORT LIGHTING EQUIPMENT CERTIFICATION PROGRAM

IN-PLANT INSPECTION REPORT

Inspection No.: G102812867  
Inspection Date: March 20, 2017  
Plant Location: Finland

Inspected By: Giovanni Peduzzi  
Reviewed With: Mika Laukkanen

Intertek has completed a semi-annual inspection at your manufacturing site. Our inspector has verbally reviewed the results of the inspection with your designated representative listed here-in. All required corrective action should be addressed and results submitted to Intertek for consideration and comment. If no corrective action is required, please file this report with your copy of the AL-7 Quality Audit Report or Product Inspection Checklists provided by the Intertek Field Representative.

- AL-7 Quality Audit Report / Product Inspection Checklists accepted and has no Corrective Actions
- AL-7 Quality Audit Report / Product Inspection Checklists accepted with follow-up actions that need to be addressed before the next audit (reference AL-7 documentation for follow-up action items) (Procedure Guide 13.2.3)
- Corrective Actions that require immediate action (see attached CAR forms) (Procedure Guide 13.3)
