ABOUT CCS

Covenant Classical School, founded in 1996, is an independent co-educational day school, dedicated to providing a Christian and Classical liberal arts education to boys and girls in pre-kindergarten through twelfth grade. The 16-acre campus is located in Concord, North Carolina.

MISSION STATEMENT

The mission of Covenant Classical School is to provide an educational offering of academic excellence in kindergarten through twelfth grades and to work in partnership with parents to train the minds of our students, helping them to understand the world from a Biblical perspective; equipping them with the leadership skills needed to affect their culture and world for Christ; and cultivating in them wisdom and virtue, using the Classical model, so that in Christ, they are better able to know and enjoy God and His creation.

CLASSICAL CHRISTIAN EDUCATION

Classical Christian education is the cultivation of virtue and wisdom by nourishing the soul on truth, goodness, and beauty according to God's Revelation using the Classical liberal arts.

CURRICULUM

The course of study is based on the Trivium: grammar, logic, and rhetoric. The first six years concentrate on the grammar of the subjects: their structure and objective characteristics. The middle years emphasize the logic or relationships of these characteristics. The final years bring out the student's creative and synthetic capabilities through the art of rhetoric, leading the student to master and communicate what has been learned.
