

## New York Rate Filings: Initial Notices Begin Mailing June 5 to Impacted Groups, Subscribers and Individuals Renewing in 2020

As we have previously communicated, New York law requires health insurance companies to provide notice about rate filings and final adjustments for community-rated products (individual and small group) to affected policy and certificate holders. In compliance with this law, we are mailing notice of our rate filings beginning June 5 and we expect to complete this mailing on June 7, 2019.
