

NEW! EmblemHealth now offers the First Health Network for Small Group POS plans.

EmblemHealth Includes First Health[®] Network for Small Groups^{*}

Members in Small Group POS plans can get the care they need when they need it — nationwide.

If a member needs health care or has an emergency while living or traveling outside of our tri-state area, he or she can use the First Health Network to find a doctor and receive covered in-network care. First Health is an NCQA-accredited provider network, with consistent processes that gives members access to a wide range of high-quality inpatient and outpatient services in both urban and rural areas.

The First Health Network is part of the following EmblemHealth small group plans:

- EmblemHealth Gold POS
- EmblemHealth Platinum POS

It includes over 739,000 health care providers, and 5,300 hospitals nationwide.**

To find a First Health network doctor, call First Health's dedicated provider locator assistance at **888-626-0553**. Their hours are 8 am to 8 pm EST, Monday through Friday. Or, visit **emblemhealth.com** and click on "Find a Doctor."
