Great Events Benefit the House!

Best to Better at CSU

On February 27th, RMH hosted its next Best to Better event in partnership with CSU at the Wolstein Center. Guests enjoyed listening to men's basketball coach Gary Waters and women's basketball coach Kate Peterson-Abiad talk about the importance of teamwork on and off the court. All of the kids in attendance received a special green RMH shirt and a CSU jersey to wear on the court, forming a tunnel for the men's team before the game! Thank you to Trueline Industries and Bowden Manufacturing for sponsoring this great event!

Strongsville Rotary Chili Open

February 27th also marked the 19th Annual Chili Open sponsored by the Rotary of Strongsville. Over 800 guests attended this year's event -- 300 of which golfed on a snowy golf course at the Cuyahoga County Fairgrounds. A portion of proceeds will benefit RMH -- thank you Strongsville Rotary!

Phenomenal Philanthropists

This issue's phenomenal philanthropists are all of YOU who contributed to our Share-One-Heart Campaign throughout February. Thanks to your support and generosity -- we raised over **\$4,000!** That equals **200 nights a family can stay at RMH.** Thank you! Every heart had wonderful sentiment to it and looked beautiful strung in our lobby -- here are just a few of our favorites.

Room Sponsor Spotlight

This issue we feature Bowden Manufacturing, who has been a Room Sponsor for three years. In addition to their ongoing Room Sponsorship, Bowden has sponsored numerous RMH events including the Ronald House Pro-Am, Best to Better events, and the 30th Anniversary Home for Hope House Raffle. Andy McCartney, President of Bowden, is a long-time friend of the House and currently sits on the Board of Trustees.

Andy says "We at Bowden know that some things are more important than business -- like family. The staff and volunteers at the House provide valuable services families from across the country and around the world, and to local families as well. Helping those families during very difficult times is a huge reason why the services of the House are so important to our community." Learn more about Bowden at <http://www.bowdenmfg.com/>.

The Room Sponsorship Program provides the opportunity for individuals, corporations and foundations to positively influence the lives of our families during a time of great anxiety and uncertainty through the support of one of the 37 guestrooms.
