Re: Important Legal Information for Sales to California – Your Response is Required
California Proposition 65 Compliance and Requirements

Insert Date

Dear PartsSource Valued Customer:

In compliance with California’s Safe Drinking Water and Toxic Enforcement Act of 1986, more commonly known as California “*Prop 65*,” PartsSource, Inc., is notifying its customers who are resellers that one or more of the products purchased through PartsSource may contain chemicals known to the State of California to cause cancer, birth defects, or other reproductive harm. Prop 65 further requires you, as a notified customer/reseller, to then ***notify your customers or end users in California*** of the potential harm posed by Prop 65’s listed chemicals through posted notices or other direct communication. This required notification does not imply that these products are unsafe, just that the product contains chemicals which require warnings in the State of California.

Under Prop 65, businesses (including manufacturers, distributors, resellers and retail sellers) making sales to customers in California are required to give a “clear and reasonable warning” for products containing chemicals on the Prop 65 chemical list. New Prop 65 regulations took effect on August 30, 2018, and PartsSource has taken steps to ensure its compliance with these new Prop 65 warning requirements. *As a reseller who purchases products through PartsSource, it is also important that you comply with these new Prop 65 regulations.*

PartsSource is working with the upstream OEMs and suppliers when its determined that the products of those OEMs/suppliers contain any chemicals on the Prop 65 chemical list. For all products including those chemicals, PartsSource will be providing a Prop 65 warning to its resellers. Under Prop 65, it is the resellers' responsibility to warn its customers as well.

Please note that Prop 65 requires your signed acknowledgement of receiving this notification by completing the confirmation (attached below, Page 3) and returning the signed original to the PartsSource, Inc. address listed below, or you may scan and email the signed original document to: tnatterer@partssource.com.

PartsSource will send a copy of this letter annually to its customers to obtain written confirmation that PartsSource customers are continuing to provide the California Proposition 65 warning. Communications by PartsSource are not to be considered legal advice and are not intended to be exhaustive as to your legal and/or regulatory obligations which may otherwise be applicable to your business.

Thank you for your attention to this matter and for helping PartsSource comply with the Prop 65 notification requirement. You may contact me at 877-497-6412 should you have any questions.

Sincerely,

Tessa Natterer
Director of Supplier Performance
PartsSource, Inc.

Below are the required Warnings and corresponding OEM(s)/product(s) for which they must be passed on to your customer and end-user:

1) ICU Medical, Inc. (all ICU Medical Inc. products):

 **WARNING:** These products can expose you to chemicals including vinyl chloride, which is known to the State of California to cause cancer, and BPA, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

The above warning is required under California’s Safe Drinking Water and Toxic Enforcement Act of 1986, more commonly known as “Prop 65”. Some ICU intravenous tubing and drip chambers are manufactured using polyvinyl chloride containing vinyl chloride. Also, certain manifold, stopcock, connector and check valve products are manufactured using polycarbonates that may contain BPA. This shipment may contain one or more of these products.

2) Hausmann Industries (Short Form Warning; the products from Hausmann will carry the physical Short Form label, which is not to be altered or removed):

Hausmann products falling under the Warning requirement: SEE ATTACHED LISTING

 **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov.

3) Span-America Medical Systems, Inc. (Short Form Warning; the products from Span-America will carry the physical Short Form label, which is not to be altered or removed):

Span-America products falling under the Warning requirement:

| <u>Product Family</u> | <u>Chemical Name</u> | <u>CAS No.</u> |
|--------------------------------|-----------------------------|----------------|
| Air Mattresses | Antimony trioxide | 1309-64-4 |
| Control Units | Diisononyl phthalate (DINP) | 28553-12-0 |
| Foam Mattresses | Antimony trioxide | 1309-64-4 |
| Seating (with zippered covers) | Antimony trioxide | 1309-64-4 |
| Ceiling Lifts | Nickel | 7440-02-0 |

 **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov.

Prop 65 Acknowledgement (Required)

I, _____, confirm that I have read and am familiar with the information, instructions, and materials concerning California Prop 65 warnings, and to the extent Prop 65 applies to our company, our company will follow the directives provided above and comply with all California Prop 65 warning requirements.
