HILLSDALE COLLEGE PRESIDENT LARRY P. ARNN TO RECEIVE 2015 BRADLEY PRIZE FOR OUTSTANDING ACHIEVEMENT

Washington, D.C. Awards Ceremony Scheduled for June 3

Milwaukee, WI— The Lynde and Harry Bradley Foundation announced today one of the four 2015 Bradley Prizes will be presented to **Larry P. Arnn**, the President of Hillsdale College.

The Bradley Prize will be awarded to Dr. Arnn at a ceremony to be held at the John F. Kennedy Center for the Performing Arts in Washington, D.C. on **Wednesday, June 3**. Each award carries a stipend of \$250,000.

Dr. Arnn has served as President of Hillsdale College since 2000. From 1985 to 2000, he was President of the Claremont Institute for the Study of Statesmanship & Political Philosophy. Earlier, Dr. Arnn served as Director of Research for Sir Martin Gilbert, the authorized biographer of Sir Winston Churchill. He is the author of *Liberty and Learning: The Evolution of American Education*; *The Founder's Key: The Divine and Natural Connection between the Declaration and the Constitution and What We Risk by Losing It*; and most recently, *Churchill's Trial: Winston Churchill and the Salvation of Free Government*.

"Dr. Arnn is dedicated to traditional academic purpose," noted **Michael W. Grebe, President and CEO of the Bradley Foundation**. "He has helped to build Hillsdale College into the model of classical liberal arts education. His scholarship and leadership throughout the years deserve recognition."

The selection was based on nominations provided by more than 200 prominent individuals across the country and chosen by the Bradley Prizes Selection Committee.

"Through the Bradley Prizes, we recognize individuals like Dr. Arnn whose accomplishments strengthen American institutions, with the hope that others will strive for excellence in their respective fields," said Mr. Grebe.

Founded in 1985, The Lynde and Harry Bradley Foundation is devoted to strengthening American democratic capitalism and the institutions, principles and values that sustain and nurture it. Its programs support limited, competent government; a dynamic marketplace for economic, intellectual and cultural activity; and a vigorous defense, at home and abroad, of American ideas and institutions. Recognizing that responsible self-government depends on enlightened citizens and informed public opinion, the Foundation supports scholarly studies and academic achievement.
