To Shareholders

Dear Shareholder,

Notice of 2019 Annual General Meeting

Introduction and Background

I am pleased to invite you to this year's Annual General Meeting ("AGM"). The AGM gives the Directors the opportunity to present and discuss with you the Company's performance and strategy and to listen and respond to your questions.

This is my last letter to you as Chairman. As announced on 29 April, I will be stepping down from the board after 12 years as Chairman, which will become effective on 23 October 2019, at which point Nick Bate will become Group Chairman. Nick joined the board as a non-executive director in January 2014 so brings a great deal of experience to the Chairman role, both from his time with Nasstar as well as from his roles with a number of private technology companies.

As was also announced, Ben Marnham has agreed to join the board as a non-executive director with effect from 23 October 2019. Ben is an adviser and investor in high growth businesses. He led and co-invested in the £50m private equity backed MBO of managed service provider Timico in 2017, where he also served as CEO for two years. At Solar Communications, where he served as Chairman between 2014 and 2017, he was part of the team that restructured the business which exited successfully to Wavenet in 2018. Ben was also one of the original team that grew Alternative Networks from a start up in 1994, to a turnover of £115m & EBITDA of £16.1m in 2012 in his final year.

I wish Nick and Ben the very best in their new roles.

The AGM will address Ordinary Business which are the matters usually covered at our annual general meetings. Each of these is described below. The Company's audited financial statements for the twelve months ended 31 December 2018, which are pleasing, accompany this letter and notice and are also available from the Company's website at www.nasstar.com/investors.

Ordinary Business

The following notes explain the items of ordinary business to be conducted at the AGM.

Resolution 1: To receive the 2018 report and accounts

Shareholders shall have the opportunity to ask questions on the Company's reports and financial statements for the 12 month period ended 31 December 2018.

Resolution 2: To approve the re-appointment of Grant Thornton UK LLP as auditors

The Company's auditors must offer themselves for reappointment at each annual general meeting at which accounts are presented. The Directors, advised by the audit committee members (who are Nick Bate and Mike Read) are satisfied with the service provided from and the terms of engagement of Grant Thornton UK LLP (who were appointed earlier in the year) as the Company's auditors and are pleased to propose their re-election to that role under resolution 2.

Resolution 3: To authorise the Company's audit committee to set the remuneration of the auditors

This resolution would authorise the Company's audit committee to determine the remuneration of the auditors.

Resolution 4: Authority to allot equity securities

The purpose of Resolution 4 is to renew the Directors' power to allot shares and rights to subscribe for them.

The authority in Resolution 4 will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into shares. The authority is a general authority to allot new shares and grant rights to subscribe for, or convert other securities into shares up to a nominal value of £1,897,542 which is equivalent to approximately 33 per cent of the total issued Ordinary Share (as defined in the Company's Articles of Association) capital of the Company, as at the date of publication of this document.

The Directors recognise that the Company may need to issue new Ordinary Shares as either share consideration and/or to fund cash consideration which may be greater than the current cash reserves of the Company for any further acquisition and so are asking for a similar proportionate size authority to that obtained at the last annual general meeting. The Directors do not have a present intention of exercising the authority to be given by Resolution 4 because no acquisition or transaction has been finalised and no binding commitments to issue new Ordinary Shares have been entered into, although the Directors continue to actively review from time to time the range of acquisition opportunities available and potentially available to the Company. The Directors will therefore consider issuing shares if they believe it would be appropriate to do so in respect of business opportunities that arise which are consistent with the Company's strategic objectives.

If the resolution is passed, the authority will expire on the earlier of the end of the AGM in 2020 or 15 months from the date the resolution is passed.

Resolution 5: Disapplication of pre-emption rights

If the Directors wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

The purpose of Resolution 5 is to authorise Directors to allot new shares pursuant to the authority given by Resolution 4, or sell treasury shares, for cash in connection with a pre-emptive offer or otherwise up to a nominal value of £287,506 which is equivalent to approximately 5 per cent of the total issued Ordinary Share capital of the Company as at

the date of this document without the shares first being offered to existing shareholders in proportion to their existing holdings.

The Board considers the authority in Resolution 5 to be appropriate in order to allow the Company the flexibility to finance any further acquisitions or other opportunities without the need to comply with the strict requirements of the statutory pre-emption provisions.

If the resolution is passed, the authority will expire on the earlier of the end of the AGM in 2020 or 15 months from the date the resolution is passed.

Resolution 6: To approve the payment of a final dividend

A final dividend may only be paid after it has been approved by the Company's shareholders. A final dividend of 0.09 pence per Ordinary Share is recommended by the directors for payment to shareholders who were on the register at the close of business on 24 May 2019. If approved, the final dividend shall be paid on 5 July 2019. The ex-dividend date is 23 May 2019.

Resolution 7: To reappoint Peter Daresbury as a director of the Company

I come up for retirement this year, notwithstanding my forthcoming departure in October, and will offer myself for re-election to serve for that period. My biographical details appear on the Company's website at www.nasstar.com and details of my interests in shares in the Company are set out on page 17 of the Company's 2018 annual report and financial statements.

Action to be taken in respect of the Annual General Meeting by the holders of Ordinary Shares

Set out at the end of this document is the notice convening the Annual General Meeting of the Shareholders to be held at the offices of the Company at Datapoint House, 400 Queensway business Park, Queensway, Telford, Shropshire, TF1 7UL on Monday 10 June 2019 at 10.00 a.m., at which the resolutions set out in the notice of AGM (the "**Resolutions**") will be proposed.

A Form of Proxy for use at the Annual General Meeting of the Shareholders is enclosed with this document.

Whether or not you intend to attend and participate at the Annual General Meeting, the Form of Proxy should be completed and signed in accordance with the instructions on it and in accordance with the Company's articles of association and returned to the Company's registrars, Neville Registrars Limited, Neville House, Steelpark Road, Halesowen, West Midlands, United Kingdom, B62 8HD as soon as possible, but in any event so as to be received not later than 10.00 a.m. on Thursday 6 June 2019.

The completion and return of the Form of Proxy will not preclude you from attending the Annual General Meeting and voting in person should you so wish.

Recommendation

The Directors consider that the Resolutions are in the best interests of the Company and its Shareholders as a whole and accordingly unanimously recommend that you vote in favour of the Resolutions as set out in the Notice of the Annual General Meeting, as your Directors intend to do or procure to be done in respect of their legal and/or beneficial holdings of Ordinary Shares, which amount, in aggregate, to 24,506,032 Ordinary Shares, representing approximately 4.26 per cent of the issued share capital of the Company.

Yours faithfully
