4 WEEKS OF NATURE-THEMED YOGA

Includes links to mindfulness and movement videos
in partnership with *Pittsburgh Parks Conservancy and Venture Outdoors*

WELCOME, YOGIS

As Allegheny county enters the “green” phase of our COVID-19 protocol, we realize that going out in public still isn’t ideal for everyone. We’re here to bridge the gap with virtual mindfulness and meditation. Practice in the safety of your own home or outside in a socially-distanced manner.

This series of nature-themed yoga videos is great for beginners as well as anyone looking to move. You will learn about poses, movement, and how to breathe. Yoga looks different for everyone and we value mindfulness and movement that is thoughtful and accessible.

Special thanks to *Pittsburgh Parks Conservancy* and *Venture Outdoors* for their partnership with this 4-week series.

SPECIAL TIPS

for practicing at home

Flexible Practice

It can be hard to find time to practice when our schedules are constantly changing. We've made it simple by offering one video for each week day!

No Mat, No Worries

If you don't have a yoga mat, that's OK! Try practicing on a rug or other non-slippery surface. You may want to take off your socks!

Wear Headphones

Sometimes background noise at home can be a little distracting. Try wearing headphones to help focus.

Practice with the Family

If they're available during your practice time, invite family members and caregivers to join in.
