## 100,000 PAYING SUBSCRIBERS REACHED

Family Zone Cyber Safety Ltd (ASX: FZO, Family Zone or the Company) is pleased to announce that at the end of April 2019 the Company had passed through 100,000 paying accounts (subscribers) driven by growth across all channels.

As previously advised, Family Zone’s key performance targets relate to growth in student licenses to our school products (sold to schools) and parent licenses to our parental control products (sold direct and via schools and telco partners).

The achievement of 100,000 paying subscribers represents an important milestone and a solid platform for growth as the Company looks to launch our freemium Insights product across our School & Telco partners and launch our consumer offerings in the USA in coming months.
