**THE LEADERSHIP DEVELOPMENT GROUP EXPANDS GLOBAL FOOTPRINT**

*In response to the needs of multinational clients, TLD Group expands its presence in EMEA and BRIC markets offering an esteemed cadre of exceptional coaches, consultants and thought-leaders worldwide*

**NEW YORK, NY JULY 23, 2012** – The Leadership Development Group (TLD Group), a recognized authority in developing leaders, is proud to announce an expansion of their coaching partnerships in international and emerging markets. With a significant presence in North America, TLD Group has expanded its global presence to include thought leaders in all major EMEA (European, Middle East, Africa) and BRIC (Brazil, Russia, India, China) markets enabling TLD Group’s world-class services to be delivered locally. TLD Group is dedicated to enhancing executive and organizational effectiveness in multiple industry groups nationally and internationally.

“Our coaches are our greatest asset and we are proud to be able to provide our clients the very best thought leaders in any given market that are able to anticipate the rapidly changing needs of the executives they are working with,” said Tracy Duberman, Ph.D, President and CEO of The Leadership Development Group. “TLD Group coaches have a minimum of 15 years experience coaching senior leaders across multiple industries, many with line management experience, advanced degrees such as MBAs and Ph.Ds. and certification(s) in validated assessment instruments, and coaching accreditation from high caliber certifying organizations.”

Globally, TLD Group works in partnership with a venerated team of management psychologists, business-centric executive coaches and consultants, academicians and thought leaders who deliver insights and services which enable senior executives to lead more effectively. TLD Group works with global leaders to identify their core leadership strengths and development opportunities and provide executive coaching to accelerate learning and development in preparation for roles with global responsibility and for the challenges of working within the new global economy.

“I am thrilled to be supporting The Leadership Development Group’s executive coaching and training and development programs for their multinational clients doing business in Asia/Pac,” said Chris Dixon, TLD Group coach partner, Hong Kong. “Living and working in Hong Kong provides unique perspective on the various cultural norms and subtle nuances that enable effective leadership in our local region. With 20 years of experience working with C-Level executives at Fortune 500 companies, I look forward to partnering with Tracy and her team to educate executives in the complexities of leading global, regional and local markets.”

“Our partnership with TLD Group creates opportunity to blend world-class expertise with an in-depth understanding of Russian business context that offers clients impactful and innovative leadership development solutions,” said Anna Sagalova, TLD Group coach partner, Moscow.

“By partnering with TLD Group, we bring a broad approach to world companies established in Portugal. We look forward to working with TLD Group and Portuguese executives who are being inspired to live and work better, deal with the new economic challenges with more creativity and vision, and lead their companies towards greater achievements, growth and sustainability,” said Manuel Pelágio, TLD Group coach partner, Portugal.
