**THE LEADERSHIP DEVELOPMENT GROUP LAUNCHES SPEAKERS BUREAU**

**NEW YORK, NY July 8, 2014** – The Leadership Development Group, Inc. (TLD Group) has announced the formation of its Speakers Bureau, comprised of its esteemed faculty of academicians, leading physician and healthcare executives, and motivational speakers to custom design and expertly deliver leading insights and cutting edge learning sessions. Members of the Speakers Bureau present thought-provoking content, encourage participation, and help to build consensus.

“Whether you are planning a keynote address, a one-day seminar, a multi-day board retreat, or a conference for hundreds of executives, our Speakers Bureau provides access to high caliber, experienced faculty who have firsthand experience,” said Tracy Duberman, Ph.D, Founder, President & CEO of The Leadership Development Group. “We are very proud to be providing a direct line to venerated speakers with expertise on a variety of topics relating to healthcare trends, leadership, and individual, team and organizational performance.”

The Speakers Bureau modules are aligned to TLD Group’s trademarked leadership competency model, the foundation of their Applied Physician Leadership Academy® (APLA), and include sessions that build executive leadership behaviors to navigate health care reform and drive required change. Sample modules include Emotional Intelligence and its Impact on Leadership, Creating a High Trust Organization, Adaptive Leadership, Collaboration and Teamwork, Motivating through Effective Communication, Creating a Culture to Support Compassionate Care, The ACA: Past, Present and Future Implications for Health Care Organizations, How to Do More with Less, From Vision to Business Case, and many others. For a complete list of topics being offered visit, <http://www.tldgroupinc.com>.

TLD Group’s Speakers Bureau includes many of the organization’s APLA Advisory Board members who are leaders from academia, health systems and the life sciences industry. Speakers include: **Ken Bottles**, MD, an accomplished author, speaker, and physician executive; **Maggi Cary**, MD, MBA, MPH, a well-known international speaker, writer, educator, trained facilitator and International Coaching Federation-credentialed physician leadership and executive coach and consultant; **Peter Finkelstein**, MD, trained as a physician and psychiatrist, helping organizations achieve higher performance by examining and changing their internal dynamics, leadership and team practices, and culture; **Liz Keever**, MA, a leadership coach, workshop facilitator and award-winning speaker who has worked with leaders from various fields around the world; **Drew Lawson**, MD, a professionally trained, board, & certified executive and healthcare coach, consultant, and strategist as well as a Stanford-trained and board-certified emergency physician; **Larry McEvoy**, MD, FACEP, an executive with a demonstrated track record in turnaround capability, physician leadership, and integrated health systems through his experience as both a CEO and a clinician; **Peter Prichard**, a leadership excellence, talent management, and peak performance consultant and presenter, and **Susan Reynolds**, MD, Ph.D., President and CEO of The Institute for Medical Leadership®.

**The Leadership Development Group, Inc.** offers expertise in executive assessment & coaching, group leadership development and organizational development consulting to organizations across the healthcare spectrum including providers, payers and manufacturers. The organization's focus is on delivering impactful leadership development solutions for healthcare executives and medical/scientific leaders. TLD Group offers groundbreaking executive and physician leadership programs to prepare leaders to become change agents in their organizations.
