THE LEADERSHIP DEVELOPMENT GROUP IS THRILLED TO WELCOME TARA SATLOW AS DIRECTOR OF CLIENT SOLUTIONS

Firm Expands with New Position Focusing on Customized Service Delivery

NEW YORK, NY, June 9, 2016 – The Leadership Development Group, Inc. (TLD Group), a global healthcare industry talent development firm, is pleased to welcome Tara Satlow, PhD, as the Director of Client Solutions. Tara’s responsibilities will include client relationship and project management, coordination of client engagements, facilitation of TLD Group’s Applied Physician Leadership Academy (APLA), and support of sales and marketing efforts. Tara has over twenty years of progressive experience in organizational development, human resources, executive coaching, counseling psychology, and clinical research.

Prior to joining TLD Group, Tara was an Organizational Development Consultant for Lahey Health, an integrated health care system of 15,000 employees comprised of a large academic medical center, community hospitals, behavioral health, continuing care services and community group practice networks in the greater Boston area. Tara earned her PhD in counseling psychology from Boston College, her master’s degree in clinical psychology from Connecticut College, and her BA in psychology from Hofstra University.

“We are thrilled to welcome Tara to the team as we expand our reach and client offerings. We will draw from Tara’s experience and background in organizational development, executive coaching, engagement, and research to enable TLD Group to continue to provide an unparalleled customer experience and meet the needs of our clients across the healthcare ecosystem,” said Tracy Duberman, PhD, President and CEO of TLD Group.

ABOUT THE LEADERSHIP DEVELOPMENT GROUP

The Leadership Development Group (TLD Group) brings talent development solutions to senior executives, medial & scientific leaders, teams and boards within the provider, pharmaceutical and payer sectors. TLD Groups solutions include executive and physician leadership assessment and coaching, organizational development consulting, a speaker’s bureau, and group leadership development programs including their coveted Applied Physician Leadership Academy® (APLA™). Solutions are designed to engage and empower leaders to take on the challenges facing the industry and develop the capability to execute business strategies that position their organizations for success. For more information about TLD Group, visit www.tldgroupinc.com.
