**THE LEADERSHIP DEVELOPMENT GROUP LAUNCHES NEW WEBSITE**

**NEW YORK, NY, September 9, 2015** – The Leadership Development Group, Inc. (TLD Group) is pleased to introduce its newly designed website with enhanced functionality, design, and navigation. The new and improved [TLDgroupinc.com](http://TLDgroupinc.com) reflects TLD Group’s commitment to innovation as a leader in the design and delivery of talent development services for the healthcare industry. Site visitors will find ease of access to our thought leadership including a section dedicated to recordings of past presentations, whitepapers, articles and webinars, as well as a listing of upcoming events hosted by TLD Group. Other new features of the website provide visitors access to the Monthly Theme Initiatives, TLD Group in the News & Press; Coaching & Consulting Solutions; testimonials from current clients; access to TLD Group’s social media platforms and more.

“It’s been a labor of love co-designing our new site with input from colleagues, clients and our faculty. Our re-launch includes the introduction of our new logo as well as our new core service line for Boards of Trustees along with our other core leadership development solutions for executives, medical and scientific leaders, and teams,” said Tracy Duberman, Ph.D, founder of the Leadership Development Group. “Over the past five years, the healthcare industry has changed dramatically and our new site and service offerings have been designed to respond to those changes.”

**The Leadership Development Group (TLD Group)** offers a variety of services including executive and physician coaching, organizational development consulting, leadership training programs such as the Applied Physician Leadership Academy© (APLA), and a Speakers Bureau. TLD Group partners with thought leaders who deliver insights and services that enable medical and scientific leaders, senior executives, and teams to lead more effectively. For more information on TLD Group, visit [www.tldgroupinc.com](http://www.tldgroupinc.com).
