Why should I purchase an annual travel insurance plan?

Travel delays, lost luggage and medical emergencies can quickly turn any vacation into a disaster. Our annual plans are designed to help keep your trips on track by protecting you from many of the unexpected travel problems you may encounter over the year. Benefits include:

- **Travel delay coverage** that can reimburse additional expenses, like airline club admission or airport internet fees, if your flight is delayed.
- **Protection for baggage and business equipment**—including laptops, phones and tablets.
- **Emergency medical care** if you need a doctor or dentist during your trip—in the United States or abroad.

When should I purchase an annual travel insurance plan?

Purchase once and you'll have a policy all year—you don't even have to tell us about your travel schedule. We will also send you a reminder when it's time to repurchase.
