Southwest Consulting Joins HAPevolve

PLANO, TX – Southwest Consulting Associates is pleased to announce their Associate Membership with **HAPevolve**, of the Hospital & Healthsystem Association of Pennsylvania (HAP) effective immediately. The partnership is expected to enhance the value The Hospital & Healthsystem Association of Pennsylvania offers its hospital members through financial, reimbursement & compliance programs and education provided by Southwest Consulting Associates.

Leveraging HAP's unparalleled expertise and strategic partners, HAPevolve offers on-demand solutions to alleviate legal, regulatory, fiscal, and operational challenges within hospitals and health care organizations. HAPevolve assists with critical pressure points through a solution from one of their endorsed partners or through client-focused consulting engagement on assessing compliance gaps and action plans to comply with new legislation and regulation, custom-designed education and training, and toolkits and procedures to address legal, regulatory, fiscal, and operational challenges.

Southwest Consulting Associates (SCA) will be a resource for members of HAP by providing consultation and education on the ever-changing climate of provider reimbursement associated with Medicare DSH, Medicaid DSH, the 340B Drug Pricing Program, Worksheet S-10 Uncompensated Care and other hospital payment system changes. "We are very pleased to partner with HAPevolve. Given our healthcare reimbursement expertise and experience of working with 400+ clients nationwide (including 81 Pennsylvania hospitals and health systems as current clients), we are able to greater assist HAP providers navigate the healthcare reimbursement landscape while their hospitals can focus on their mission of quality patient care."

SCA is headquartered in Plano, TX and was founded in 1989 to provide financial consulting services to healthcare providers. The professional team at SCA strives to meet the needs of our clients in an ever changing healthcare environment and continues to develop reimbursement solutions to service the hospital provider community in a proactive and compliant manner. Over the last 29 years, hundreds of hospitals have chosen SCA to provide consulting services in the healthcare finance and compliance arenas.

HAP is an association of more than 240 hospitals and health system members, as well as other interested health care stakeholders in service to Pennsylvania healthcare. Governed by a 27-person board of healthcare leaders from across Pennsylvania, HAP advocates for and provides services to Pennsylvania's hospitals and health systems as they strive to deliver safe, efficient, and quality health care to the patients and communities they serve.
