

Position: PRG Covid-19 Strike Team
Classification: Temporary, part-time
Reports to: VP of the Paramedic Resource Group
Location: Varied Mine Locations (Billings, Laurel, Columbus, Absorkee, Red Lodge, Livingston, Big Timber)
Pay: \$18/hour plus \$150/day stipend

Duties & Responsibilities:

The position of EMT/Paramedic working for Best Practice Medicine is a temporary position operating under the Paramedic Resource Group (PRG). EMT will provide a screening program for COVID-19 virus at the employee bus pickup locations. The screening will be conducted in accordance with CDC guidelines.

Under the supervision of VP of PRG, the Strike Team EMT/Paramedic is responsible for:

- Travel to/from each site.
- COVID-19 prescreening for mine personnel.
- Maintenance of screening equipment.
- Additional duties as assigned by the VP of Paramedic Resource Group.

Qualifications and Education Requirements

- Nationally Registered and Montana State Licensed Emergency Care Provider (ECP) with a recommendation for clinical practice from current or previous employer
- No felony convictions
- Clean driving record

Preferred Skills

Preferred 1-year experience

Working Conditions: Work is performed in outdoor conditions. Requires lifting up to 70 pounds and carrying objects up to 50 pounds. Equipment and resources must be maintained in a clean condition. Early hours and evenings will be required for the position.

As a PRG Covid-19 Strike Team EMT/EMTP, I agree to the duties as written in this job description. I also understand that this position is constantly changing and evolving and additional duties may be assigned.
