ABT Ranked 29th in the 50 Fastest-growing Companies in the Piedmont Triad

Greensboro, NC — Advanced Battery Technologies, Inc, was named a 2010 Fast 50 Company by the Business Journal. This award is presented to the 50 fastest-growing emerging companies in the Piedmont Triad.

The Business Journal's FAST 50 Awards Program is the premiere business-growth competition in the Triad. Prior to becoming a Fast 50 company, the nominees undergo an auditing process to certify that they are indeed one of the fastest growing companies in the Triad. The Fast 50 awards recognize the Triad's top performing privately held companies, as ranked using a formula that factors in the dollar and percentage change in revenues during a three-year period, between 2007 and 2009. In partnership with The Business Journal, Smith Leonard, one of the Triad's largest accounting firms, oversees this process.

Advanced Battery Technologies Inc., founded in 2000, designs cost effective energy solutions driven by innovation and customized management programs to maximize the performance of D.C. power systems. ABT manages power for electric forklift fleets, critical facilities and telecommunications applications delivering the lowest cost of ownership and highest return on investment for its customers. ABT has locations in Greensboro,-NC, Charlotte,-NC, Greenville-SC, Nashville-TN and Chattanooga- TN. For more information please visit www.wemanagepower.com
