

BICYCLE CARRIER ACCESSORIES

Part No. B00840

AerBag:

This 9 c.f. waterproof storage bag rides sidesaddle on the VRack wing for carrying tools and active gear. Made of heavy-duty, double-walled insulated Oxford nylon with front clip and rubber-shielded interior coil zipper.

Compatible With:	
2-Bike Carriers	<input checked="" type="checkbox"/>
4-Bike Carriers	<input checked="" type="checkbox"/>

Part No. B01212

AerPack:

17 c.f. waterproof storage system attaches to the inside wings of 4 bike VRack using molded T-handles, leaving outside wings vacant for bikes and ski boards. Double-walled and foam padded with rubber-shield coil zipper offers soft cushy gear protection.

Compatible With:	
2-Bike Carriers	<input type="checkbox"/>
4-Bike Carriers	<input checked="" type="checkbox"/>

Part No. B01571

BikeBag:

Enclose and protect two bikes on a VRack wing with adjustable bike enclosure fit for up to a 180in circumference. Waist and over-top straps for a secure, pull-tight wrap. Road safe with LED lights, reflective fabric and DOT reflectors.

Compatible With:	
2-Bike Carriers	<input checked="" type="checkbox"/>
4-Bike Carriers	<input checked="" type="checkbox"/>

Part No. B01588

PegBoard:

These simple yet versatile pegs squeeze gear into place for all-season uses on any VRack to carry snowboards, skis, and other flat item. Quick-install kit includes four heavy-duty foam padded steel pegs with adjustable rubber straps.

Compatible With:	
2-Bike Carriers	<input checked="" type="checkbox"/>
4-Bike Carriers	<input checked="" type="checkbox"/>

Part No. B01038

Fat Bike Cradles:

Two wheel cradles with adjustable rubber straps supports up to 115mm fat bike wheels. Quick install on any VRack, one kit per bicycle.

Compatible With:	
2-Bike Carriers	<input checked="" type="checkbox"/>
4-Bike Carriers	<input checked="" type="checkbox"/>
