

Business Development Representative

Who is WellRight?

WellRight is a leading provider of corporate wellness software, used by organizations to improve the health of their employees. Our mission is to change people for good through positive habit formation. We provide a fun, energetic, and supportive environment to work in. Our solutions are industry leading and built on the latest web-scale, cloud technologies.

As a Chicago-based tech company, WellRight is seeking a qualified Business Development Representative to be a part of our growing sales team. We are a start-up and a perfect fit if you're looking for a place where you can grow and make a difference. You are the right person if you are a motivated problem-solver with a positive, inquisitive attitude and likes working with highly creative teams!

Who are our employees?

We want to make a difference in the world by helping people be their best, every day, at work and at home. Our award-winning solutions support leading employers in transforming their cultures and engaging employees. But, our world-class products and programs are nothing without our people – the employees who design, build, promote, sell, test, and perfect the latest innovations in workplace well-being. Our people are our top priority and we invest in their health and happiness. At WellRight, we have so much more than a strong, supportive company culture - we have a shared vision for a healthier, happier world.

Who you are.

A Business Development Representative (BDR) identifies sales opportunities, creates interest and drives brand and solution awareness and preference. A BDR is primarily responsible for generating new business by sourcing outbound leads, qualifying interested prospects, and setting up meetings for the Regional Sales Managers that adhere to our qualification guidelines. To be successful in this role, the BDR will nurture relationships, build value, handle objections, create urgency, open the sales cycle, and collaborate strategically within their territory to create a sales pipeline that exceeds quota expectations.

Job Duties

- Source new leads through cold calling and online research efforts
- Successfully call and set up meetings for the outside sales team (via phone and email)
- Utilize strategic sales capabilities that include a high comfort level communicating with all levels of prospects within an organization, balanced with tactical skills for a fast-paced, high volume lead follow-up and qualification environment
- Achieve weekly meeting quotas
- Conduct a large volume of outbound calls to prospects to gather information and initiate the first step in identifying those interested in learning more about WellRight's complete wellness platform
- Daily integration with Salesforce.com to update information based on best practices, policies, and procedures
