

# CT800 TREADMILL

Optional Extended Handrails

Optional TV Bracket (TV not included)

The CT800 is stout and extremely durable, weighing in at over 350 lbs. The combination of the heavy-duty steel frame and aluminum console masts and side rails make it comparable to treadmills at much higher price points in the commercial market. The large workout area makes this model very appealing to walkers and runners.

## **CT800** TREADMILL

- Bright, tri-color LED console with programming very similar to our other C series consoles
- Quick speed and incline keys to save time and make workouts more efficient
- Contact and wireless heart rate options to help keep clients in their safe and effective training zone
- Dual-drive motor cooling fans to protect and extend the life of the motor and control board
- Maintenance free, hard wax deck system provides hassle free use for thousands of miles
- Spacious 22" x 60" workout area to accommodate tall individuals
- Multi-ply Habasit® commercial belt for superior belt life
- C-safe power and communication capabilities for A/V control

## CT800 CONSOLE FEATURES

As with any product, the user interface is of utmost importance. We focused on making everything easily accessible and comfortable: dual storage trays for beverages, keys, or phone, ergonomically friendly pulse grip posts for a more natural hand position, and a turbo cooling fan to keep your clients cool and encourage them to work out longer. Our large, easy-to-read console gives them constant feedback from calories to distance to time.
