Step 1

EVALUATION

Optimization begins with a complementary evaluation, where we review your past sales, guest profile, geography, and more including:

LAYOUT

FIXTURES AND MILL WORK

ASSORTMENT OF PRODUCT

RETAIL PRICES

BRAND STANDARDS

Step 2

CUSTOM RETAIL PLAN

Design and Retail professionals apply expertise, national hotel retail sales data, and brand standards to create a customized plan that will help your retail area exceed profitability goals.

PLANOGRAM

Visually displays how to correctly merchandise your retail space

PERSONALIZED SHOPPING LISTS

Product shopping lists are uploaded into your Tradavo merchant account in accordance with your planogram

MERCHANDISING DISPLAYS

Includes shelf management systems (that are pre-assembled for quick and easy set up), fixtures, baskets, jars, etc. **Display purchases typically deliver a ROI in 2.5 months.**
