

Astrata Europe TalentLinc

We are looking for Big Data Engineer (M/F)

Astrata Europe: We are the European leader of innovative telematics services. We deliver our services to your local plumber, international transport companies and multinational shipping companies. Want to know what they have in common?

Our culture: We are a diverse team, highly skilled and experienced, working in an innovative and ambitious environment. Our open working environment encourages collaborative working across teams and ensures information flows around the business. Be open to cooperating with colleagues from all over the globe and thrive in an inspirational environment. Like to join our mix to create innovative solutions?

Your challenge: Add your value to a company where the impact of your work is visible to you, your colleagues and our customers. Work in a closely-knit team where you will be challenged to be proactive, be creative and be responsible. Can you deliver the goods?

Your successes:

- Develop high-end software applications that work for our customers,
- Test your own code and solutions to make sure it works,
- Get actively involved with the entire development process,
- Run the Agile sprint, both in spirit and in practice,
- Learn, create and innovate to make sure we stay ahead of the game.

Your skills and experience:

- Desire to participate learn.
- Working experience and understanding of major programming/scripting languages Java, Scala, Ruby, Python and/or R,
- Two years' experience working with APIs,
- Experience with Big Data solutions (like Hadoop, Spark, Hive, HBase, Pig, Kibana/Grafana, Elastic Search, Kafka and Docker and Kubernetes),
- Experience in working in a fast-paced Agile development environment,
- Fluent in English, both verbal and written.

Your competencies:

- Initiative results oriented, communication, team work, client focus, accountability, innovation, creative thinking, quality focus, continuous learning.

Our offer:

- Be part of a motivated team,
- Work with great technology,
- Good office location,
- Fruit in the office.

Remuneration: Salary will be based on knowledge and skills.

Application:

Do you want to get connected to Astrata Europe B.V.? Please send your application to Loek Charpentier, HR Manager, (lcharpentier@astrata.eu) and include your motivation for this position and your CV.

Acquisition or solicitation by recruitment agencies is not desired.
